Greetings,

Thank you for your email. I've peaked inside the renovated units and they do look nice but I'm not interested in renovations in the suite I occupy.

I would like you to confirm that a lease renewal agreement is being sent to me to sign as per my conversation with a myplace realty

representative last week.

In regards to Eden, the cleaning schedule of the space has declined noticeably since the departure of Jardel, the previous caretaker. I would appreciate if you can inform me what sort of schedule you expect your employees to maintain; including vacuuming, which appears to have not occurred for several weeks time.

All the best! I hope that you and your family are doing well.

Sincerely,

Evan Rosner

Good Morning Evan

Please feel free to email me with any questions or concerns you may have regarding the building.

You spoke of not seeing what types of improvements we are making to the building and units. I would suggest perhaps contacting Eden your Resident Manager to show you what a renovated unit looks like once it is available to show.

Kind Regards,

Darren Wilcox
