Subject: Renewal of Tenancy Agreement - Evan Rosner - 10- 585
[Corydon ave](#)

Dear Mr. Wilcox,

I hope this letter finds you in good health and high spirits. I am writing to

express my agreement to the renewal of the tenancy agreement for my apartment at 10-585 Corydon Ave. I would also like to extend my congratulations to the entire team at Thorwin Properties for their recent victory in the rent increase dispute. A 32.30% rent increase for an unrenovated suite during a rent freeze year is a very impressive accomplishment!

While I appreciate the efforts made by the Deputy Commissioner of the Residential Tenancies Commission to reach a fair decision, I must admit that I am disappointed with the outcome. It is disheartening to learn that, 'most of the evidence and submissions provided were deemed irrelevant to the crucial questions necessary to decide on the appeal.' Photographic evidence, a neat table of the landlord's history of rent increase above guidelines, and commentary on the socioeconomic reality facing Manitobans were simply not enough to persuade our government's agents.

Nonetheless, I would like to take this opportunity to acknowledge the skills and determination of Thorwin Properties in achieving their desired rent increase. It usually takes exceptional acumen and persuasive arguments to succeed in such matters, and your accomplishment is certainly commendable especially when considering that none of the arguments I made were directly addressed and responded to during our hearing.

The rent freeze was enacted with the intention of safeguarding tenants from exorbitant increases, and it is regrettable that circumvention of this legislation has occurred through capital expenditures. This practice, in my view, raises ethical concerns as it undermines the very legislation designed to protect tenants like myself. It highlights a pervasive issue in the socio-economic state of our world, where corporate interests often prevail over the rights and well-being of individuals.

The table from my appeal displays historic rent increases, which further underscores the widening disparity between tenants' financial capacity and the escalating costs of living. Despite being approved by a government agency, the undeniable reality of this injustice cannot be ignored and yet it has.

I would like to emphasize that my decision to agree to the renewal of the tenancy agreement does not signify my acceptance of the aforementioned practices. As a tenant, I have always strived to be an excellent resident, respectful of the property and considerate of my neighbors. I will continue to uphold these standards during the forthcoming tenancy period, just as I have since becoming a resident prior to Thorwin Properties' ownership.

In conclusion, congratulations once again on your victory. I hope that this letter conveys my genuine desire to maintain a cordial and professional relationship moving forward, despite my concerns regarding the recent decision. I trust that the upcoming tenancy period will be mutually beneficial and that future resolutions will reflect a more equitable and just approach to tenant-landlord relations.

Thank you for your attention to this matter. Please feel free to contact me if there are any further details or documentation required.

Yours sincerely,

Evan Rosner
