Hello,

Please do not begin any operation until I have conferred with the Residential Tenancies Branch and follow their process for arbitration.

The proposed actions of Thorwin Properties are unwanted, unethical, and I will escalate our dispute in order to identify and preserve my rights as legislated in the Residential Tenancies Act.

What is the location of the apartment that you have suggested?

What is your proposed timeline for renovations?

Please list ALL of the renovations that you have planned for this suite.

I appreciate your time and your services.

All the best,

Evan Rosner

Hi Evan,

Thank you for letting me know about your concerns regarding our plans for renovations. It is going to be uncomfortable, and it won't look pretty for just the two weeks, however, in the end, I am almost certain that you will notice the value and feel happy about in-suite laundry. In addition, we put aside a vacant apartment, and you will be able to use it at any time until your apartment is fully put back together.

Sincerely,

Dasha Dorofeeva

Good morning Dasha,

I have been expecting a response from Darren Willcox for several months and I have just learned he was let go. I have questions and concerns about Thorwin's plan for my suite.

Thank you,

Evan

Greetings,

I hope you're doing well.

Last Friday Thorwin agents came to my suite to identify a solution for

the upcoming removal of laundry services and storage facilities with the goal of installing en suite laundry machines.

It has been 129 days since my previous email to you regarding this issue and I have not received any clarity on what your plan is.

The electrical system in my suite is from the 1950s, there is no storage space for a washer/dryer in the suite, and if there were some space with which to place the units it would require opening up the floor boards and extending the pipes.

My understanding is that Thorwin has full intention of removing the storage and laundry services, which I have paid for in my entire residency here, forcing a renovation on me that will negatively affect my quality of living through the day to day work, reducing my storage space capabilities, and of course, increasing the rent far above what it should be if provincial guidelines were followed in good faith.

I want to be clear that I do not want en suite laundry services and I do not want my storage space removed.

I look forward to hearing your solutions.

Thank you,

Evan Rosner

Greetings,

I'm looking for clarification of laundry services for this year. I expect the laundry and storage facilities to be removed. I would like to know what you have in mind for me as I have signed our renewal, the electrical system and plumbing system in my suite will not be able to handle on suite laundry services, and I require storage space.

Keeping in mind that I have been a long term resident in good standing I would appreciate some consideration in this matter.

Thank you,

Evan Rosner
