Yes, this is correct. 90 inch (7.5 feet tall) by 60 inch (5 feet wide) by 60 inch (5 feet long). I should never have borrowed my father's ancient American tape measure.

Hi Evan

Thank you for your patience, I am looking to have a decision on the withdrawal of service shortly.

Just reconfirming the measurements of your old locker.

You said it was 90cm by 60cm by 60cm

Looking at the pictures you provided would you said it is closer to 90inch (7.5 feet tall) by 60 inch (5 feet wide) by 60 inch (5 feet long)

Thanks Evan
