Attention,

You are informed that the actions occurring at 585 Corydon Ave are in breach of the regulations of the Residential Tenancy Act.

I have received Form 8 dated January 23, 2024 indicating that common area laundry and storage lockers service withdrawal will occur on May 1, 2024.

This is already happening and is an issue of non-compliance with provincial regulations.

Cease and desist.

Evan Rosner
10-585 Corydon Ave
