Hi Evan,

I just dropped off an envelope at your apartment under front door, with a letter and a key to your new locker.

I will be on-site tomorrow at 10:00 as well if you need to speak with me.

Sincerely yours,
Dasha Dorofeeva

Good morning,

I do not accept the terms of your letter. I do not consent. I do not give permission.

Good luck,
Evan

Greetings,

Engaging in unethical and now criminal actions for the sake of your company? That is a terrible shame, Dasha Dorofeeva.

I am reminded of a Ukrainian proverb that I have been repeating with my friends who are fighting in their war: Правда у воді не тоне і в огні не горить. Truth does not sink in water and does not burn in fire.

Note, the worker this morning informed me that his assigned duty today was to help me move my personal property and I expressly told him as well you that I did not consent.

I'm terribly sorry that you have been coerced into these actions.

Sincerely,
Evan Rosner
