RE: Locker relocation on February 22, 2024

Hi Evan,

Please find enclosed a key to your new locker. It's located in the new bike storage area. The door is between the boiler room and laundry room. Please move all your possessions by 8:00am tomorrow so our construction crew can proceed with the project.

In the event that your belongings are not moved, we will cut the lock and move it for you. As per RTB, we are required to provide you with a locker until the end of April. There is no requirement that it would be the same locker.

Your cooperation is required, and refusal will result in us completing a claim for construction delay costs.

Should you have any questions about this change, please reach out to your Property Manager via email to dasha.dorofeeva@thorwin.ca

Kind Regards,
Thorwin Properties
