Reasons for Decision

Address of Residential Complex: **10-585 Corydon Avenue, Manitoba**

The landlord applied to the Residential Tenancies Branch on January 25, 2024, for a withdrawal of service (laundry facilities and storage) under section 138(1) of the *Residential Tenancies Act*. The landlord requested that the Washer and Dryer be transferred to the tenant's responsibility. The landlord also requested that storage be transferred to the tenant's responsibility. The landlord proposed to decrease the rent by \$0.00 effective April 1, 2024.

When considering an application for changes related to services, the Branch considers the following:

- (a) The charge incurred for replacement of the services being discontinued;
- (b) Documentation provided by landlords and tenants; and
- (c) Cost of replacing the services

Laundry

The Branch was informed that the tenants paid \$2.25 for a wash and \$2.00 (\$4.25) for the dryer. The Branch's believes on average that 3 loads of laundry per week is a fair amount for a tenant to need.

The calculation the Branch uses to assign a value on the laundry facilities is as follows: \$4.25 (cost of one load of laundry) x 3 (amount of loads per week) x 52 (weeks in a year) / 12 (month's in a year) = \$55.25 (cost to tenant to use the laundry per month).

The Branch contacted three local laundromats that were within an hour walking distance of the tenant's residence. The average cost for a wash was \$4.42. The average cost to use the dryer was \$2.42, for a total of \$6.84. Using the Branch's calculation the cost to use a private laundromat is \$88.92. The difference between what the tenant's cost's were (\$55.25) and what they are potentially now (\$88.92) is \$33.67.

Storage

The tenant's storage area was calculated as 7.5 feet (90 inches) by 5 feet (60 inches) by 5 feet (60 inches) or 187.5 cubic feet. The landlord calculated it as 8.7 feet high by 4 feet wide by 5 feet long or 174 cubic feet.

The Branch contacted five storage facilities in the area closest to the tenant. The amounts for a similar sized storage unit were given in monthly rates of \$103.00, \$75.00, \$87.00 and \$130.00 & \$77.00 for an average of \$94.40

Hi Evan,

Just tried calling you, I was hoping to speak with you about our options. I'm offering you \$200.00 rent credit for February and moving assistance. I would personally be very grateful, and the landlord can be generous for your cooperation. Please let me know if you could make one exception despite our disagreement about renovations.

Good morning,

I appreciate your response and your offer but I am firm in my position.

As I have communicated for many months, my rights as stipulated in the Residential Tenancies Act are paramount to me and I consider Thorwin Properties to have engaged in unlawful and unethical behavior.

Thank you for your service.

Sincerely,
Evan Rosner

Hello Evan,

I think RTB officer already informed you but just in case I'd like to share again that construction manager called his site guy and found out the machines have not been operational that weekend after he told him to make sure they are ALWAYS operational.

Construction crew requested if perhaps you could move your locker items into the private bike area with locking door? Grant mentioned that its not convenient for you. I completely understand the inconvenience. May I offer you some compensation and assistance with moving items? I can ask the management.

RE: Locker relocation on February 22, 2024

Hi Evan,

Please find enclosed a key to your new locker. It's located in the new bike storage area. The door is between the boiler room and laundry room. Please move all your possessions by 8:00am tomorrow so our construction crew can proceed with the project.

In the event that your belongings are not moved, we will cut the lock and move it for you. As per RTB, we are required to provide you with a locker until the end of April. There is no requirement that it would be the same locker.

Your cooperation is required, and refusal will result in us completing a claim for construction delay costs.

Should you have any questions about this change, please reach out to your Property Manager via email to dasha.dorofeeva@thorwin.ca

Subject: Re: 10-585c witness statement example

I, Robert Surgeoner, Construction Manager at Thorwin Properties, was directed by the property management team to assist in the relocation of Evan Rosner's belongings to a safe, secure location.

My Construction team and I assisted in the movement of said belongings on February 22, 2024.

The movement of his belongings was recorded on video by Dasha Dorofeeva, the property manager.

Thanks!
